THE OFFICIAL MOTOCROSS VIDEOGAME

"Everyone has a reason to do it. Fame, notoriety, glory or celebration...

No matter, the crowd will keep screaming jump after jump.

It's only when all lights are off and the party is over

There you come back to the real discipline meaning

Where all is about yourself

'Cause at the end you need to be the one.

MXGP. Get ready to eat my dust!"

From the dust arrives the official FIM Motocross World Championship videogame available in spring 2014 for PlayStation®3, PlayStation®Vita, Xbox 360® video game and entertainment system from Microsoft and Windows PC®
